# The Cochrane Collaboration 'Brochure'

The brochure has been temporarily removed from this site for updating.  
In the meantime, see our other documents:

- [The Cochrane Leaflet](#) - a concise overview of The Cochrane Collaboration's aims and activities. Cochrane groups are invited to download and print copies to use in promoting the Collaboration. It is designed as a tri-fold A4 page printed on both sides.
- [Background documents](#) describing the Cochrane Collaboration
- The Cochrane "[About us](#)" page
